

Easter Cake Bunting DIY

YOU WILL NEED

A colour printer

Scissors

2 straws, dowels or wooden skewers

2 x 14" lengths of string,
twine or ribbon

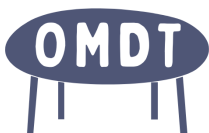

Glue stick or double sided tape

HOW TO MAKE YOUR BUNTING

1. Print out this sheet on A4 paper or thin card.
2. Cut out the flags.
3. Crease each flag along the dotted line.
4. Line up the HAPPY flags face down, making sure they are in the right order.
5. On the back of each flag put double sided tape or glue, make sure to cover the fold where the string will go.
6. Match up the middle of the string with the middle of the flags & place your string along the folds leaving a small gap between each flag.
7. Fold each flag in half and carefully press together.
8. Repeat with EASTER flags.
9. Tie both sets of flags to your dowels & trim excess.
10. Decorate with ribbons for extra fanciness!
